

Building Fund Initiative Sunday remains the 3rd Sunday of each month. Every family and individual is encouraged to establish and maintain their covenant with God to contribute \$150.00 above the tenth (tithe) we bring to the Lord each month. I humbly ask each of us to Covenant with God before establishing our contribution commitment.

This will ensure no one commits to giving beyond their sacrificial means, thereby compromising the budgetary demands of their household in keeping with **2 Corinthians 9:7**. This verse says, *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."* It will also confirm the course of each one's commitment to the course for each month. Finally, it will enable us to effectively steward the progress and process of projecting our financial capabilities for ground-breaking.

I encourage each of us to remember the sacred principle of projecting our commitment based on our covenantal agreement with the Lord. **Ecclesiastes 5:4-5** says, *"When you make a vow to God, do not delay to fulfill it. He has no pleasure in fools; fulfill your vow. ⁵ It is better not to make a vow than to make one and not fulfill it."*
