## Greetings Educators, Parents, and Scholars!!!

Attached with this letter is our Application for Student Aid for 2023. The deadline for application submittal is March 25, 2023. The requirements to submit are explained in the application.

The Application for Student Aid is given to students for educational related purposes that could be available to you to help pay for some of your college expenses. Obtaining a good education can be expensive, that is why Nubia Temple No. 191 provides aid to students that will be enrolled in college in the Fall of 2023.

When students apply for the student aid application, they will be participating in a competition that will involve reviewing and evaluating the required documents. This includes an essay entitled, "Why attending college is important to me." The winner(s) will receive a monetary donation from our organization. The contestant must show proof of enrollment to the college he/she will be attending before any Student Aid money will be awarded, no later than December 31, 2023. We also ask that the students write a letter or send information about how their educational journey is going.

Graduating High School winners of the Temple's award will be eligible to compete for a higher-level award.

Please contact the Student Aid Committee Chairman Noble Timothy White at (254)394-3660 for any questions regarding financial student aid.

Fraternally Submitted,
